

## Hanger 9 Ultra-Stick .40 ARF, Receiver Ready!

This is a fully assembled Hanger 9 Ultrastick .40 ARF in the Yellow-Blue-White cover scheme. Included and installed are 7 servos (6 ea. Futaba 3003 and one Tower Hobbies TS-53). Up front is an MDS .46 engine with fuel tank, prop and spinner. Also installed are a switch and charge jack. Just add your receiver and battery and you are ready to take off! This model has less than a dozen flights on it and no damage.

**\$220, \$190 minus engine**
